**Subject:** North Station RI schedule

Ross,

We plan to start RI work at the North Station site May 6. Weather permitting, we should be done by around June 14. Please note that we currently plan on being on the ComEd parcel 5/14-5/17. Like Willow-Hawthorne, all personnel on-site will need appropriate PPE including FR-rated clothing.

Al – when you have it, please “reply to all” with the cell number of your field lead so we can coordinate.

Thanks,

Naren
